

# IGENIX LYME

**Please read the instructions thoroughly provided with this kit. Check your kit and call our office or the lab if anything is missing or damaged.**

- This is a serum blood kit that requires the facilities of a blood draw site. We may have offered you suggestions when you were in the office. Feel free to find options more convenient to your location. If you are uncertain whether a particular facility will assist you in this call the facility and ask if they can do “Kit Draws.” and ask what they typically charge for those services. Rates vary, averaging \$50-\$60 per draw.

**Note: Medicare will not cover the cost of a Kit Draw. The cost for this service will be out of pocket.**

- Please ensure that the accompanying paperwork is filled out and included when you visit the facility. Paperwork includes the requisition form, a clinical history form, and an ABN, if applicable. Include a copy of your Medicare card if applicable.
- Once at the facility follow the instructions of personnel at the facility for kit hand-off to so they can complete the collection.

**Ensure that the requisition and all accompanying paperwork are filled out and placed in the package before sealing.**
